

MEMORIAL TREE ORDER FORM

A Memorial Tree is a wonderful way to honor a loved one or a friend, deceased or living. Since the fall of 2000, volunteers from the Old Mission Peninsula Historical Society have beautified the roads of the Old Mission Peninsula with more than 600 trees, over 200 of which have been dedicated as Memorial Trees. Each year, new plantings are added and more Memorial Trees are dedicated.

It's easy for you to become a part of this tradition. By filling out the information on the form below, and including a check in the amount of \$75.00 made out to the Tree Committee of the Old Mission Peninsula Historical Society, a memorial plaque like the one pictured here will be placed by "your" tree. We will notify you of your tree's species and location. Plantings and dedications will occur in the spring and the fall.

Please mail your request and check to:
