Committee Reports & Significant Dates

Thursday, May 2, 2019

Listed in no particular order.

Executive Board/Committee – Laura Johnson

The Committee met 4/29/2019. Relationship between Mission Point Lighthouse Friends and OMPHS was explored, now and in the future. No action required.

Dougherty Mission House – Bill Cole

PETER DOUGHERTY SOCIETY

During the last several months, Connie Sargent has been working with a tech group from the Community College to produce signage and displays for the ice house. Also, they are preparing a display of the Honor Roll which will be placed in the Dougherty House.

Connie Sargent is still looking for a few more historical buffs to volunteer as docents at the Dougherty House! It will be open after June 15 on Thursdays through Sundays. Please talk to Connie Sargent to sign up. She is arranging the "training" sessions.

With improvement of weather, work has started again at the Dougherty House. Small repairs have been made in the house, carriage shed cleaned out, and items moved out from Haserot. Further plans are made for placing items in the buildings.

May 18, Saturday, 9:00 AM: Clean up day at the Dougherty House. We need lots of you to come and help to prepare for the Dedication and summer visitors. We will be working both outdoors and inside so bring anything to help. Time for beginning is 9:00 and a lunch will be provided for all.

June 15, Saturday, 2:00 PM: Dedication and Formal Opening of the Dougherty House. Public is welcome!

Tree Planting Committee – Jim Hall

The tree planting session will now be **Sat May 4th**. If you are available and can make it, that would be very helpful. 40 new planting and 7-8 replants are anticipated. The Boy Scouts from Troop 34 are not available, but they are planning to join us for a special mulching session in June sometime.

We'll convene on **Sat., May 4th** by the Bad Dog Deli at **9am** and disperse from there. The major planting area will be on Center Road, north of Swaney. Replants will be on Center Rd. near Bluff and near Island View, as well as on Smokey Hollow north of Ladd Rd. Please bring shovel and garden rake if possible. Hope you may be able to make it.
