

Memorial Tree Order Form

A Memorial Tree is a wonderful way to honor a loved one or a friend, deceased or living. Since the fall of 2000, volunteers from the Old Mission Peninsula Historical Society (OMPHS) have beautified the roads of the Old Mission Peninsula with more than 650 trees, over 250 of which have been dedicated as Memorial Trees. Each year, new plantings are added and more Memorial Trees are dedicated.

It's easy for you to become a part of this tradition. By completing the form below, a memorial plaque like the one pictured above will be placed by "your" tree. We will notify you of your tree's species and location. Plantings will occur in the spring and the fall; dedications can occur at any time.
