1. November 5 minutes were approved.
2. Treasurer Dean Francis presented the Treasurer's Report. As of the end of 2022, we have \$15,943.66 available in unrestricted funds.

**Programs:** Judy and Ann have programs lined up through March, with vacancies in April and May meetings. Nikki suggested we use an old DVD she has of harvesting in the 1940's. Some members advocated using more of our membership as presenters. We will have a business meeting in March with detailed committee reports updating us on our many activities, including the Replica Church's restoration progress, the Dougherty House, and the tree committee. We will also be discussing this year's Log Cabin Day, to take place the last Sunday in June, June 25,

February's program will feature member Laura Johnson speaking about her collection of sleighbells, titled "Sleighbells Ring.

Ann Swaney introduced our program , a DVD of a program presented at Peninsula Community Library last spring titled "The Church Chronicles: five churches of Old Mission." The program was excellent; however we had numerous issues with the presentation due to intermittent Wifi issues. That will be researched prior to our next meeting.

Respectfully submitted,

Judith Weaver
